(*) Airport to Garching via Neufahrn with S1 and bus 690: Note that the 690 bus goes from Neufahrn directly to the campus and terminates at U-Bahn station Garching-Forschungszentrum, without passing through Garching. If you wish to go directly to Garching, you would then have to take the U-Bahn for one stop, from Forschungszentrum to Garching. Or - better - go via Ismaning with S8 and bus 230 which does pass through Garching. The Bus 690 has limited service on Saturdays and no service on Sundays.
